SUMMER QUARTER COURSES

1949

Second Half, Spring Quarter - - - - April 26 to June 2

First Term, Summer Quarter - - - - - June 3 to July 9

Second Term, Summer Quarter - - July 12 to August 17

A Bulletin of the

MISSISSIPPI SOUTHERN COLLEGE

Hattiesburg, Mississippi

CORRESPONDENCE

Requests for bulletins and inquiries regarding student work, scholarships, loan funds and general information should be addressed to The President.

Application for admission, questions about courses and reservations for rooms in the dormitories should be addressed to The Dean.

Graduate students should address all requests for bulletins, admission blanks, transcripts, and general inquiries on courses to The Dean of the Graduate Division.

Requests for evaluation of credits, requests for transcripts, and transcripts for high school principals or from other colleges should be addressed to The Registrar.

Requests for veteran housing, or for non-veteran housing other than dormitory rooms, and questions concerning finances should be addressed to the Financial Secretary.

Requests for a list of available private rooms and apartments in Hattiesburg should be addressed to the Dean of Women.

Teacher placement, extension course, and correspondence course information may be secured by addressing, Director, Extension and Correspondence.

GENERAL INFORMATION

The summer quarter is an integral part of the school year. The organization and administration of the summer school is on the same basis as that of the regular school year. Instruction is conducted by the regular staff with the assistance of visiting professors.

PURPOSE

In addition to regular undergraduate and graduate functions the purpose of the summer school is to offer in-service teachers an opportunity to renew their teaching certificates and to work on their degrees. It is possible for a student to complete a semester of work by entering on April 25. Students who desire a full quarter's work may enter on June 6. The dates for registration for a semester, quarter, or six weeks period will be found listed in the calendar at the front of this bulletin.

The summer quarter also offers an opportunity for regular students to expedite their graduation by continuing their studies through the normal vacation period.

Students from other colleges and universities have an opportunity of securing special courses which they may need to complete their programs.

ADMISSION REQUIREMENTS

Former students of Mississippi Southern College who have maintained satisfactory academic records, graduates of accredited high schools and transfers from junior colleges are eligible for registration in the summer quarter.

Students who are in good standing at other colleges or universities are also eligible for admission. It is not necessary for these students to present a transcript of their credits unless they plan to become a candidate for a degree at Mississippi Southern College.

ACADEMIC GUIDANCE

The general regulations governing the Mississippi Southern College as set forth in the regular catalog of the college will prevail during the summer school. Students who need assistance in the planning of their work are invited to counsel with their major professor or with one of the administrative officers.

CERTIFICATES TO TEACH

Teachers may secure a renewal of their license by completing eight quarter hours of work. Individuals desiring to have their license renewed should request the Registrar to send a transcript of their credits to the Division of Certification, State Department of Education. The transcript must be accompanied by the renewal fee of $1.00.

PRE-PROFESSIONAL CURRICULA

Pre-professional curricula are available for students interested in Medicine, Dentistry, Law, Engineering, and Pharmacy Students who are planning to enter these fields should consult the special advisers for the fields.

RELIGIOUS AND SOCIAL OPPORTUNITIES

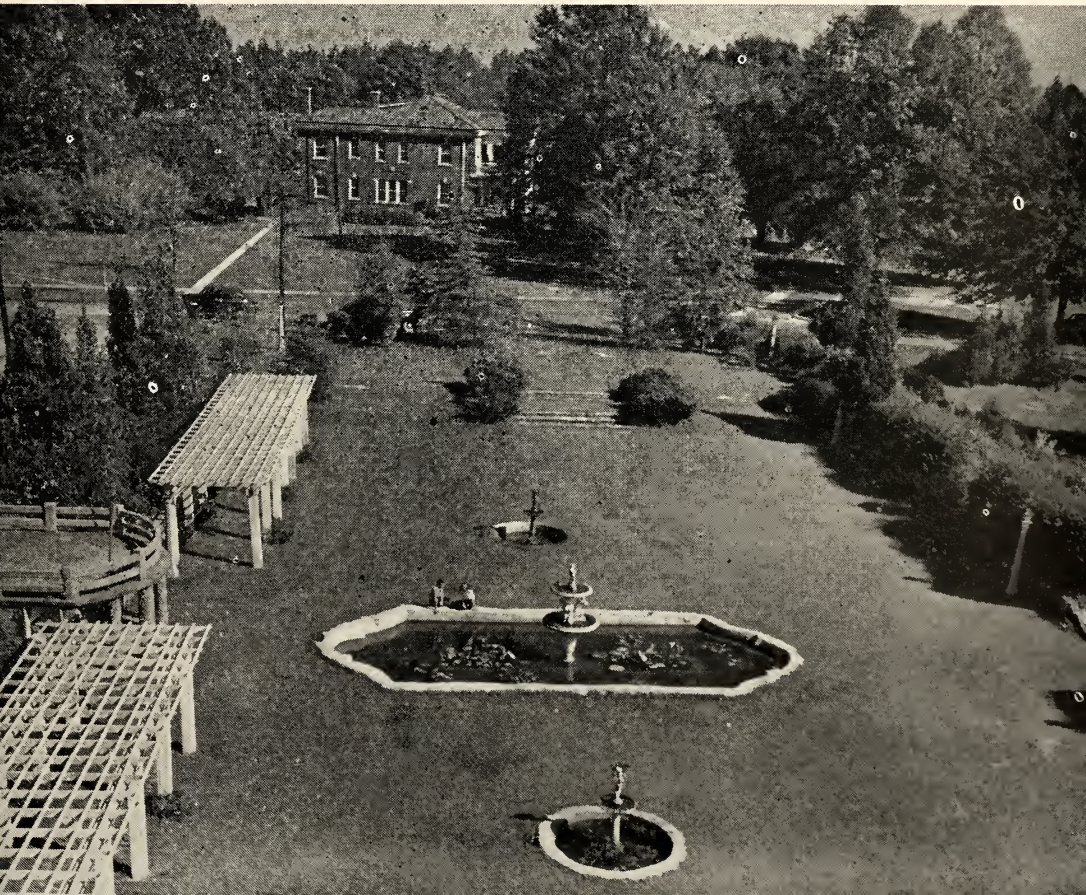
At Mississippi Southern College the social and religious activities are considered a vital phase of student life. Recreation and entertainment are planned which afford opportunity for students of all ages and interest to participate in and enjoy.

The religious organizations are especially anxious to fill the needs of members of their particular denominations and to contribute to campus and community life as a whole through the Student Christian Federation. At the beginning of the summer quarter, the Christian Federation sponsors a campus party at which all students and faculty and ministers and representatives from the local churches have an opportunity to become acquainted and to enjoy together an evening of fun and fellowship. The Federation sponsors Vesper Services on Sunday and Wednesday evenings.

The Student Council sponsors activities which are of interest to students of all ages and to the faculty. The social organizations sponsor informal parties which add much to the recreational life on the M. S. C. campus.

The International Relations Club sponsors trips to nearby points of interest and affords opportunities for students and faculty to enjoy deep sea fishing trips.

THE BEAUTIFUL SUNKEN GARDEN



TEACHER PLACEMENT BUREAU

Mississippi Southern College maintains a placement bureau to help students secure positions and to assist school officials to secure teachers to fill definite needs. Students who have been in residence for one quarter or more are eligible to register with this bureau. Since it is likely that a large number of requests will be received for teachers during the Summer Quarter, those who have not definitely secured positions for the coming year are requested to file their application with the Placement Bureau, early in the session.

STUDENT EMPLOYMENT

During the Summer Quarter, the college will be able to give part-time employment to a number of students. Students who are interested in earning part of their expenses should file an application with the President of the college, prior to the opening of the Summer Quarter.

DEMONSTRATION SCHOOL

In cooperation with the city schools of Hattiesburg, a complete Demonstration School will be operated at the college during the Summer Quarter. Facilities for observation and practice teaching will be available from the first grade through the senior year of high school.

DEMONSTRATION SCHOOL CLASSROOM

SUMMER THEATRE

The Department of Dramatics will produce one play during the summer quarter as well as some shorter productions. All students with talent and interest in dramatics are invited to try-out for these plays.

BAND AND CHORUS

A special chorus will be organized during the summer quarter as well as a special concert band. Both the chorus and the band will practice one evening each week. The band and the chorus will have special concerts during the summer months.

SPECIAL EVENTS

Every effort is made to arrange an interesting schedule of activities for the summer quarter.

A planned intramural athletic program will be available for both men and women. This will include late afternoon softball games, golf, tennis, swimming, and pingpong. A water show with special swimming and diving events will be held in July.

Outstanding chapel speakers and musical programs will be scheduled.

Barn dances, social dances, Christian Federation parties, picnics, and other social activities will be featured during the summer.

The two traditional all-student events are the fried chicken picnic during the first part of the summer quarter and the watermelon cutting, usually held in July.

THE LIBRARY

The Joe Cook Memorial Library will be open from 7:15 A. M. to 9:45 P. M. on Monday through Thursday and from 7:45 A. M. to 5 P. M. on Friday and Saturday.

BOOKSTORE

The college bookstore is well equipped with textbooks, art materials, and all other supplies needed by the student.

STUDENT HEALTH SERVICE

The Student Health Clinic is available to every regularly enrolled student. Miss Beedie Smith, the college nurse, is on duty at all hours during the day and for emergency illness twenty-four hours a day.

A college physician is available to students who are referred to him by the college nurse.

THE GRADUATE DIVISION

(A special bulletin is available on request)

One of the primary functions of Mississippi Southern College is to prepare teachers, supervisors, and administrators for all branches of public school service. The graduate curriculum is intended to meet the needs of teachers in the elementary and secondary schools as well as to provide an organized program of training for school administrators and supervisors, and advanced music work.

The student who pursues graduate work broadens his professional outlook and academic knowledge, receives additional professional training, and familiarizes himself with techniques of research. The student must manifest ability to collect and evaluate data and must be able to see the implications of his conclusions in relation to other fields of human interest and study.

The Master's degree in Education will be regarded primarily as an extension and broadening of the professional education received on the undergraduate level with particular emphasis upon the fields of study in which the student is interested. The goal sought is the improvement of classroom instruction and/or school administration and supervision.

The ultimate aim is the fusion of the professional and subject-matter training of maximum benefit to the particular student.

The Master's degree will be conferred on those meeting the requirements in the field of Education, which emphasis in five particular fields: School Administration and Supervision, Secondary Education, Elementary Education, Health and Physical Education, and Music. Minors will be available in English, History, Mathematics, and Guidance.

THE MISSISSIPPI SOUTHERN CAFETERIA

LIVING ACCOMMODATIONS

The college has available dormitory accommodations for approximately nine hundred students. If you desire a room in the dormitory you should fill in the application for admission and mail it to the Dean of the College with the $8.00 room reservation fee. Room reservation fees will be credited to your account. No room reservation deposit can be refunded unless the reservation is canceled ten days prior to the opening of the Summer quarter.

Rooms are equipped with the following furniture: Two single beds with comfortable inner-spring mattresses, a dresser, a chest of drawers, lavatory, two chairs, and a study table. Students must furnish all linens, bed covering, pillow, curtains for windows and closet doors. Dormitories are cooled by attic fans.

Furnished apartments at moderate rentals will be available to married students, both veterans and non-veterans, at Shelby Village, located 13 miles south of the campus. Convenient busses will be operated. Rentals will vary from $42.00 to $57.00 for the quarter, including utilities. Write for particulars.

A limited number of trailers, houses and apartments are available for married Veterans of World War II on the campus.

If the dormitories are filled, living accommodations outside the dormitories must be selected from the list approved by the College authorities.

Further information concerning housing may be obtained from the office of the Financial Secretary.

All students not living in their own homes, whether rooming in the dormitories or in private homes or rooming houses, are subject to the regulations, control and supervision of the college. The College uses its efforts to safeguard such students, but no responsibility can be assumed.

EXPENSES

Dormitory Students

Incidental Fees	$ 42.50	per quarter
Room	18.00	per quarter
Board	69.00	per quarter
*Laundry (see note below)	12.24	per quarter
Total Expenses per Quarter	$141.74	
Payable each quarter on entrance	$92.12	
Balance payable at beginning of second half of quarter	49.62	
	$141.74	

Day Students

Incidental Fees (Payable on entrance)	$ 47.50	per quarter

Special Students

Auditing (No College Credit) per quarter hour	$ 2.50
Students taking four or less quarter hours	10.00
Students taking additional hours through six quarter hours, per quarter hour	2.50
Students taking above six quarter hours, per quarter	42.50

Veterans

Incidental fees paid by use of G. I. Bill of Rights

Books, Supplies and Laboratory fees paid by use of G. I. Bill of Rights

Room, Board and Laundry:

Payable at beginning of quarter, on entrance	$ 49.62
Payable at beginning of second half of quarter	49.62

*Laundry service is optional with the student. This amount may be deducted from total fees if student can have laundry done at home.

EXPENSES FOR SIX WEEKS

Dormitory Students

Incidental Fees	$21.25
Room Rent	9.00
Board	34.50
*Laundry (See note above)	6.12
Total expenses for Six Weeks	$70.87

Day Students

Incidental fees for Six Weeks	$23.75

SPECIAL REFUND POLICY FOR VETERANS ONLY

Non-Resident (Out-of-State) Tuition

Over six weeks	100	100

LABORATORY AND COURSE FEES PER QUARTER

Biology—37, 38, 39, 117, 118, 129, 139, 142, 143, 144, 145, 147, 166, 167	3.50
152 & 155	18.00
153	30.00
154	15.00
Commerce—35, 36, 37, 66, 67, 68, 71, 72, 73, 74, 92, 114, 118, 150, 151, 160, 174, 180, 198	3.00
185 (Small Business Course)	35.00

Chemistry—25, 26, 27, 75, 76, 77, 92, 130, 131, 132, 136, 160, 161, 162, 181 182, 183 ..... 3.50

High School (Laboratory School) Courses:

With special instruction 30.00

Regular classes 15.00

Industrial Arts—27, 28, 87, 31a, 31b, 41, 63, 125 ..... 30.00

Music:

Piano, Organ, Voice:

2 private lessons per week, per quarter ..... $ 32.00

1 private lesson per week, per quarter 16.00

Strings, Woodwinds, Brasses:

2 private lessons per week, per quarter ..... $ 30.00

1 private lesson per week, per quarter 15.00

Theoretical Subjects:

2 private lessons per week, per quarter ..... $ 30.00

1 private lesson per week, per quarter 15.00

Vocal Pedagogy—179, 180, 181 ..... 3.00

Piano Pedagogy—182, 183, 184 ..... 3.00

Violin Pedagogy—185, 186, 187 ..... 3.00

Theoretical Courses, per quarter hour 2.50
Music 34, 35, 36, 64, 65, 66, 114, 115, 116, 117, 118, 119, 164, 165, 166, 167, 168, 169.

Music Education Courses (School Music Methods), per quarter hour 2.50
Music 70, 71, 72, 120, 121a, 121b, 122a, 122b, 126, 127, 128, 170, 171, 172, 191, 192, 193, 194, 195, 196, 209, 210, 211.

Church Music Courses, per quarter hour 2.50
212, 213, 214, 215, 216, 217, 218, 219, 220

Survey of Music Literature, 43, 44, 45 ..... 1.50

History of Music 73, 74, 75 ..... 1.50

Music Fundamentals 95, 96 ..... 1.50

Ensemble 123, 124, 125, 173, 174, 175 ..... 1.50

Practice 1 hour daily, per quarter 3.00

Each additional hour daily, per quarter 1.00

Organ rental for 1 hour daily, per quarter 12.00

Each additional hour daily, per quarter 3.00

Orchestral and Band Instrument rental, per quarter 6.00
(The College owns several string, brass and woodwind instruments that are available to students for practice at special fees stated above).

Should any class not materialize, students will be advised to take

the course privately at special fees stated above.

Physics—80, 81, 82, 137	3.50
Home Economics—26, 50, 104, 105, 125, 135, 150, 180, 200	1.50
Home Economics Education—185, 186	1.50
Home Economics—37, 85, 115, 138, 142, 197	3.00
Reading Clinic—Complete Educational Diagnosis	10.00
Individual Remedial Instruction, per month	20.00
Out of State Tuition	66.66
Late Registration fee	2.00
Each transcript of credits after the first	1.00
Graduation fee	6.00
Special Examination Fee	1.00
Change of Schedule	1.00
Registration Fee (Required of all graduate students as a matriculation fee in the Graduate Division. This fee is paid once, and only once, by the student during his period of residence as a graduate student)	10.00
Student teaching in the field (for 5 hours credit)	25.00
Workshop Fee	30.00
Workshop Library Fee	2.50

BUSINESS REGULATIONS

Announcements concerning expenses, fees, and furnishings are subject to change without notice and may not be regarded as binding obligations of the college. In time of changing conditions, it is especially necessary to have this definitely understood.

Should a student withdraw three days after date of registration all fees will be refunded.

Should a student withdraw for any reason prior to mid-term of any quarter fifty (50%) per cent of Incidental Fee will be refunded and pro rata percentage of board and laundry fees will be refunded.

Special or Laboratory Fees will not be refunded under any circumstances after a student has been in attendance for three days.

All students, faculty, officers and employees rooming in dormitories are required to take their meals in the college cafeteria. Others who take part of their meals in the cafeteria are charged per meal.

No deduction in living expenses is made for an absence of less than two continuous weeks, and then only when the absence is necessary and is reported to the Secretary's office five days in advance. No reduction of board is made on account of late entrance.

No lesson in music or laboratory course is given until fee is paid and receipt presented to instructor.

While no deposit is required for loss and damage, any amount charged to a student must be paid before examinations are permitted.

SPECIAL EVENTS FOR THE SUMMER

PARENT-TEACHER CONFERENCE

A special event of wide interest to professional and lay educators is the annual PTA Home and Family Institute, which is scheduled for the first week of the second term of the summer quarter. This conference has been sponsored annually by the Mississippi Congress of Parents and Teachers for eleven years. State officers and chairmen, who plan and execute a two-day program of the workshop type, are assisted by a representative from National Congress of Parents and Teachers, who brings inspiration and counsel.

National Education Association and Mississippi Education Association officials furnish speakers and consultants as needed. Mississippi Southern cooperates by offering its facilities and specialized services.

Although this conference is planned specifically to provide leadership training for the P T A units in the southern half of Mississippi representatives from all sections are invited to attend and participate.

THE READING CLINIC

In May, 1946 a Reading Clinic was opened at Mississippi Southern College. The clinical unit, consisting of officers, individual teaching rooms, a psychological testing room and observation rooms, is housed on the second floor of College Hall. The psychological testing room is equipped with "one-way" glass for the convenience of students doing observation in diagnostic and remedial reading and for parents who wish to observe the child being tested.

The clinic is equipped with the finest instruments and materials of instruction obtainable. An adequate library of interesting easy books is provided for pupils who find reading difficult. Use is made of teacher-made material and basal readers in the instructional program.

The objectives of the reading clinic are three-fold: Namely (1) to assist children who are retarded in educational status because of some specific cause; (2) to train teachers in scientific diagnosis and remedial guidance; and (3) to execute research in the objective study and guidance of pupil life.

Children may be referred to the clinic by teachers, parents, eye specialists and other agencies. The fee for a complete educational diagnosis and a program of remedial procedures and suggestive materials of instruction is $10.00.

If a child is enrolled in the clinic for individual remedial instruction the fee is $15.00 per month. As a rule it is desirable to have a child come to the clinic four hours per week. The total number of hours of remedial training required will vary with the extent and type of difficulty exhibited.

THE READING CONFERENCE

In connection with the program in the Reading Clinic, the fourth annual Reading Conference (Education 104-A, B, and C) is conducted the first term of the summer quarter. Outstanding authorities in the fields related to the work in the Clinic present papers, lead discussions, and give demonstrations in the fields of their specialization. The faculty of the college demonstration school teach demonstration lessons in line with the general theme of the conference; observation of these lessons is a regular feature of the program. The Reading Conference may be taken three times for credit. Teachers who have had the Reading Conference previous to this year should enroll for either Education 104-B or C.

THIRD ANNUAL ORIENTATION COURSES FOR LATIN-AMERICANS

The Latin-American Institute of Mississippi Southern College of Hattiesburg, Mississippi, will conduct its third annual orientation course in the English language for Latin-American business and professional people and students from June 15-August 15. The first orientation course was conducted last summer. The second was conducted from Feb. 23-April 16.

The course, conducted jointly by the institute of Latin American Studies and the International House of New Orleans is a part of the

DEMONSTRATION SCHOOL CLASSROOM

U. S. Department of Education and the U. S. State Department "Good Neighbor" Policy to foster better understandings and relationships between the Americas.

The eight weeks intensive course in English grammar, composition, and conversation with emphasis upon the culture, civilization, history, and geography of the United States is intended to give business and professional people a knowledge of English to enable them to qualify for better positions and to provide for students who plan to continue their studies in the United States, an opportunity to further their knowledge of English.

WORKSHOP PROGRAM

Mississippi Southern College operates a number of workshops during the spring and summer in strategic locations. These work conferences are open to school administrators and teachers, welfare workers, rural ministers and community leaders. The purpose of these work conferences is to furnish opportunity for the solution of instructional problems under the guidance of experienced leaders and consultants.

In 1949 emphasis will be placed on efficient classroom teaching. Reading, health education, music education and arts and crafts as phases of a well-rounded school-community program will receive treatment.

Each workshop is five weeks in length. A member may use the credit for renewal of teachers certificates, for professional advancement, for refresher courses in the field of his particular interest, or toward graduation. Three off-campus workshops may be applied as resident credit toward graduation, but such attendance cannot be counted in lieu of required attendance on the campus. Only undergraduate courses and problems are offered by Mississippi Southern College in off-campus workshops.

Fees for on-campus workshops are the same as those charged for other on-campus courses of comparable credit. Fees for off-campus workshops total $30.00 for eight quarter hours credit, plus a library fee of $2.50.

The demand for workshops on the part of teachers and administrators has steadily grown since this type of teacher-education was introduced at Mississippi Southern College, and it will not be possible to organize and staff such conferences in all communities desiring them. Hence, locations are determined on the basis of need and greatest service. Workshops are organized only in those communities where we may serve a substantial number of persons who cannot be adequately served from the campus, and where the full and positive support and cooperation of school officials is assured.

WORKSHOP FOR SCHOOL LUNCH MANAGERS

The second annual Workshop for School Lunch Managers will be held in August

The purpose of this workshop is to contribute to the training of lunchroom managers so that they may provide every school child with adequate, well-planned meals, properly cooked and attractively served.

Workshop groups and discussions are planned. Topics include food selection and preparation, organization and management, planning of kitchens and equipment needs, sanitation, record keeping and training employees.

Last summer over 150 School Lunch Managers attended the workshop and a group of approximately 200 is expected this summer.

TENTATIVE WORKSHOP LOCATIONS, 1949

1. Area of Amite-Pike-Walthall Counties. April 25-May 27. (Southwest Junior College). Elementary Education, Health Education, Arts and Crafts, Childrens Literature, Speech, Arts.
2. Area of Greene-George Counties. April 25-May 27. Elementary Education, Child Development, Health Education.
3. Area of Wayne-Clarke Counties. May 2-June 3. (Waynesboro). Elementary Education, Child Development, Health Education, Arts and Crafts.
4. Area of Smith-Simpson-Rankin Counties. May 2-June 3. (Raleigh). Elementary Education, Nature Study, Music Education, Health Education.
5. Gulf Coast Area. June 6-July 7. (Gulfport). Elementary Education, Music Education, Arts and Crafts, Health Education.
6. Area of Lincoln-Copiah-Lawrence-Franklin Counties. June 6-July 7. (Brookhaven). Elementary Education, Arts and Crafts, Nature Study, Health Education.
7. Area of Jones County. June 6-July 7. (Ellisville). Elementary Education, Arts and Crafts, Music Education, Health Education, Recreation.
8. Area of Pearl River-Hancock Counties. (Tentative). July 11-August 12. (Picayune). Elementary Education, Arts and Crafts, Health and Physical Education.
9. Campus Workshop in Administration of a Health and Physical Education Program in Schools. (Tentative.) July 4-9. This project is under consideration as a joint enterprise of the Mississippi School Health Service and Mississippi Southern College. It contemplates a short, intensive program of lectures, conferences and work periods for school administrators dealing with problems of setting up and carrying out health, physical education and recreation programs in their respective schools. If offered, graduate credit may be available, or it may be taken without credit.

Information on any workshop will be gladly furnished by writing:

Director of Workshops,
Mississippi Southern College,
Hattiesburg, Mississippi.

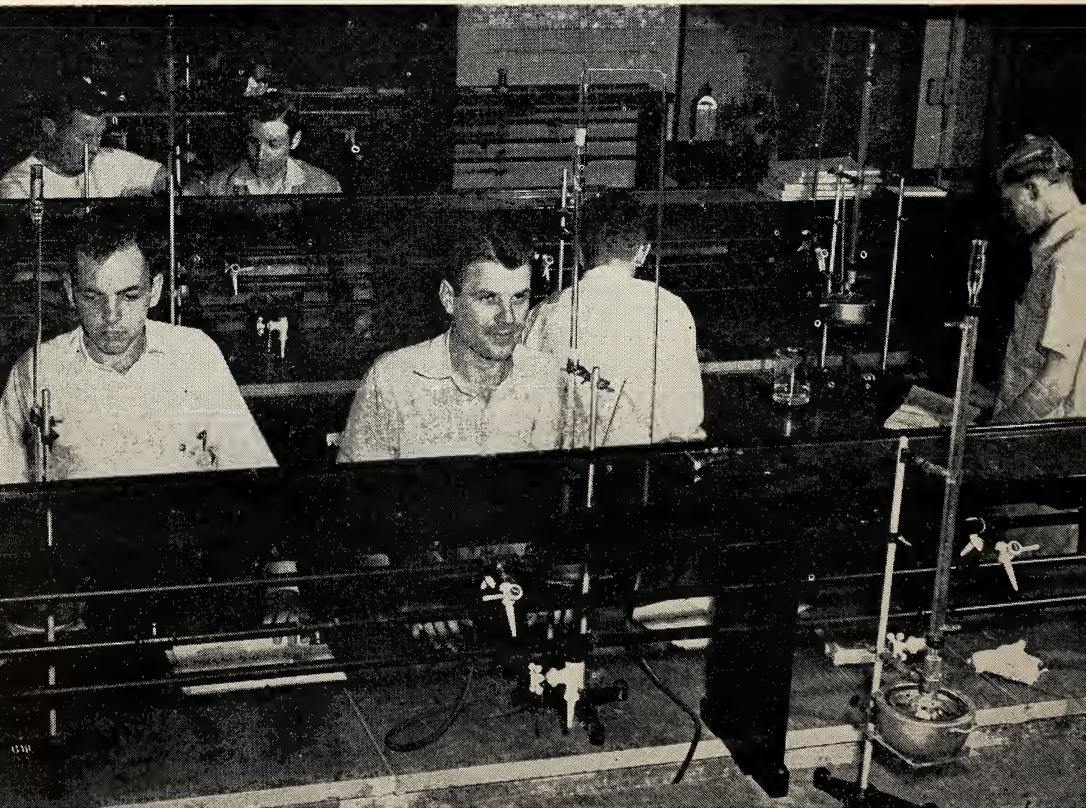
GULF COAST RESEARCH LABORATORY

The Gulf Coast Research Laboratory, located at Ocean Springs, Mississippi, will hold its summer session between July 25 and August 25. The following courses will be offered: Biology 152 (field botany), Biology 153 (marine zoology), Biology 154 (endocrinology), Biology 155 (Mississippi algae). A fifth course, sedimentary geography, will be open for those students who have had a course in physical geography. A student will be able to earn six quarter hours of college credit during this session of the Laboratory. Credits earned at the laboratory are recognized by all the senior colleges of Mississippi and, therefore, throughout the nation.

It is strongly recommended that all biology majors take at least six hours of work at the Gulf Coast Laboratory, where they will have opportunity to study the varied and highly interesting forms of life inhabiting the semi-tropical waters of our Gulf of Mexico. Many of these forms are of extreme economic importance to the State of Mississippi.

At the Gulf Coast Laboratory, students will have opportunity to work under the direction of professors who have done specialized work on such forms as fishes, amphibians, reptiles, crustacians, insects, etc.

THE NEW $20,000 ORGANIC CHEMISTRY LABORATORY



A specialist in the field of endocrinology and another in the field of invertebrate embryology will also be at the Laboratory this summer. Students who have any intention of doing graduate work in biology may very likely begin an investigation on some form of life found in the Gulf coast waters, which may be expanded into a master's thesis. A great deal of pioneer work on the gulf coast forms of life needs to be done within the next few years. It is most desirable that Mississippians prepare themselves to do such original work.

The fees for these courses will be found listed under the course descriptions found below. Credit hours will be found under Division of Biological Sciences. Veterans who have not used up their allotment for the year may continue to receive the financial aid afforded by the G. I. Bill.

Courses to be given at Gulf Coast Research Laboratory, Ocean Springs, Mississippi:

153—Marine Zoology. Six hours. Laboratory fee—$30.00.

This course will consist of the classification, distribution, life history and economic importance of species peculiar to the coastal region of

NEW HOME ECONOMICS BUILDING

Mississippi, with special reference to ecological relationships. The course will be based primarily upon living material collected in the field from marine, fresh water, and terrestrial habitats. The class will prepare records and keys for the identification of the regional fauna.

152—Field Botany. Three hours. Laboratory fee—$18.00.

A study of some typical areas of the coastal plain, an island and the marsh flora, will be made. Field trips will be conducted daily except Sunday. Plants will be collected, identified, and preserved in herbaria. These will become the property of the collector. Plant presses, herbarium paper, and other laboratory equipment necessary for the proper conduction of the course will be supplied.

154—Endocrinology. Three hours. Laboratory fee—$15.00.

Advanced standing in Biology required.

This course is given under the direction of the Graduate School at the University of Mississippi at the Gulf Coast Research Laboratory and may be used for graduate credit at the University of Mississippi or at Mississippi Southern College.

155—Mississippi Algae. Three hours. Laboratory fee—$18.00.

Prerequisite: One year of botany.

A study of the algea of the gulf coast region will be made at the Gulf Coast Research Laboratory near Ocean Springs, Mississippi.

COURSES OF INSTRUCTION

Key to Numbering System:

Nos. 1- 49 First year courses.
Nos. 50- 99 Second year courses.
Nos. 100-149 Third year courses.
Nos. 150-199 Fourth year courses.
Nos. 500-600 Graduate courses. Open to graduate students only.

NOTE: Certain courses numbered above 100 will be open to graduate students on special conditions.
